

BIG BROTHERS BIG SISTERS OF CENTRAL MA/METROWEST AMERICORPS MASSACHUSETTS PROMISE FELLOW

AmeriCorps Massachusetts Promise Fellows deliver the resources young people need to be successful in life by creating, managing, and leading meaningful out-of-school time programs for youth in grades 6-12. Fellow projects focus on mentoring, social and emotional learning, college and career readiness, academic enrichment, and community service-learning.

The Massachusetts Promise Fellowship achieves this by placing AmeriCorps Fellows with schools, non-profit organizations and state/local government agencies that focus on fulfilling the needs of our youth by providing: *a caring adult, a safe place, a healthy start, a marketable skill, and an opportunity to give back.*

SERVICE DESCRIPTION

The program that this Fellow will be supporting is a middle school based "college possible" mentoring program. It is combination of a 1:1 mentoring program where middle school youth work with a college student from two local area colleges for 1-2 hour per week. This program also provides group enrichment focusing on 21st Century skills that will give the youth tools to succeed in College and throughout life. The MPF Fellow will be responsible for hosting parent/youth support nights to encourage family discussions around college and furthering education.
