

RAFAEL HERNÁNDEZ K-8 AFTER SCHOOL PROGRAM (HASP) AMERICORPS MASSACHUSETTS PROMISE FELLOW

AmeriCorps Massachusetts Promise Fellows deliver the resources young people need to be successful in life by creating, managing, and leading meaningful out-of-school time programs for youth in grades 6-12. Fellow projects focus on mentoring, social and emotional learning, college and career readiness, academic enrichment, and community service-learning.

The Massachusetts Promise Fellowship achieves this by placing AmeriCorps Fellows with schools, non-profit organizations and state/local government agencies that focus on fulfilling the needs of our youth by providing: *a caring adult, a safe place, a healthy start, a marketable skill, and an opportunity to give back.*

BOSTON- The Fellow's main project area while at the HASP consists of developing and facilitating an academic/leadership enrichment program for a small group of 15 6-8th grade students a couple days a week during after school hours, while additionally supporting local college and community volunteers working with students during homework time. Additional project areas include recruiting volunteers, leading educational field trips around Boston, writing a newsletter to families, offering general program support to grades K1-8 and participating in restorative justice circles. Due to the nature of being a small non-profit, there are a lot of additional professional development and leadership opportunities that may arise during your time. Finally, as a two-way bilingual school, know that everyone here is learning at least one language and being part of multicultural community is a big part of who we are at the Hernández.
