

HYDE SQUARE TASK FORCE AMERICORPS MASSACHUSETTS PROMISE FELLOW

AmeriCorps Massachusetts Promise Fellows deliver the resources young people need to be successful in life by creating, managing, and leading meaningful out-of-school time programs for youth in grades 6-12. Fellow projects focus on mentoring, social and emotional learning, college and career readiness, academic enrichment, and community service-learning.

The Massachusetts Promise Fellowship achieves this by placing AmeriCorps Fellows with schools, non-profit organizations and state/local government agencies that focus on fulfilling the needs of our youth by providing: *a caring adult, a safe place, a healthy start, a marketable skill, and an opportunity to give back.*

SERVICE DESCRIPTION

The **Academic Enrichment Fellow** will oversee and deepen Hyde Square Task Force's Academic Enrichment Program, which supports youths' growth through academic tutoring and college and careers skill building workshops. The fellow will track youth academic data for 135 participants ages 8-18 over the course of our 2017-2018 program year to assess academic progress and needs. The Fellow will then design and implement intensive academic interventions for a Focus List of 20 HSTF youth ages 14-18, including coordinating tutor/youth matches, conducting regular academic check-ins with youth, and planning and facilitating additional supports or activities in collaboration with other HSTF program staff. Altogether, the Academic Enrichment Program will provide these 20 HSTF participants a combined 200 hours of dosage over the course of the program year.
