

WEST END HOUSE BOYS & GIRLS CLUB AMERICORPS MASSACHUSETTS PROMISE FELLOW

AmeriCorps Massachusetts Promise Fellows deliver the resources young people need to be successful in life by creating, managing, and leading meaningful out-of-school time programs for youth in grades 6-12. Fellow projects focus on mentoring, social and emotional learning, college and career readiness, academic enrichment, and community service-learning.

The Massachusetts Promise Fellowship achieves this by placing AmeriCorps Fellows with schools, non-profit organizations and state/local government agencies that focus on fulfilling the needs of our youth by providing: *a caring adult, a safe place, a healthy start, a marketable skill, and an opportunity to give back.*

SERVICE DESCRIPTION

The Mass Promise Fellow will provide critical support to the West End House Academic Success team, offering comprehensive, strength-based academic interventions and engaging out-of-school-time programming to youth who reside in some of Boston's most underserved neighborhoods. The Mass Promise Fellow will strengthen partnerships with the administration and staff of local schools, ensuring a long-term community commitment to our young people's academic success. The Mass Promise Fellow will develop and implement innovative, high-impact curricula that empower youth to develop critical thinking skills, deepen positive peer-to-peer relationships, and cultivate personal and academic growth, positioning young people for success through high school graduation and college completion. The Mass Promise Fellow will draw upon personal academic interests and expertise to establish programming that leaves a lasting impact of youth on-time grade progression, high school graduation, school attendance, test scores, and personal development.
