

Start Strong, Boston Public Health Commission AmeriCorps Massachusetts Promise Fellow

AmeriCorps Massachusetts Promise Fellows deliver the resources young people need to be successful in life by creating, managing, and leading meaningful out-of-school time programs for youth in grades 6-12. Fellow projects focus on mentoring, social and emotional learning, college and career readiness, academic enrichment, and community service-learning.

The Massachusetts Promise Fellowship achieves this by placing AmeriCorps Fellows with schools, non-profit organizations and state/local government agencies that focus on fulfilling the needs of our youth by providing: *a caring adult, a safe place, a healthy start, a marketable skill, and an opportunity to give back.*

Service Description

A special emphasis is placed on creating interactive workshops to teach tips, tricks, and lessons to survive high school and beyond. Collaborating with outside agencies and MPF to create College Prep/Readiness programming, networking skills, and enhancing their social and emotional learning.
