

Breakthrough Greater Boston AmeriCorps Massachusetts Promise Fellow

AmeriCorps Massachusetts Promise Fellows deliver the resources young people need to be successful in life by creating, managing, and leading meaningful out-of-school time programs for youth in grades 6-12. Fellow projects focus on and college and career exploration and academic enrichment.

The Massachusetts Promise Fellowship achieves this by placing AmeriCorps Fellows with schools, non-profit organizations and state/local government agencies that focus on fulfilling the needs of our youth by providing: *a caring adult, a safe place, a healthy start, a marketable skill, and an opportunity to give back.*

Service Description

Cambridge-Breakthrough Greater Boston's (BTGB) mission is to prepare low-income students for success in college and train the next generation of urban teachers using its unique Students Teaching Students model. To accomplish this goal, BTGB provides year-round academic and college access supports to 7th-12th grade students. The Massachusetts Promise Fellow will contribute to BTGB's mission by supporting students' academic achievement and college aspirations at our Cambridge campus through direct engagement with a cohort of high school students. The Fellow's direct service will consist of one-on-one academic mentoring for 9th-12th grade students, small group academic support during the 9th and 10th grade Study Hall Program, and college application support for 12th grade students. In addition, the Fellow will oversee the coordination of college and career exploration opportunities for high school students.

Essential Responsibilities

- Work with a cohort of 15-20 students involved in BTGB's six-year academic program on a weekly basis. Activities will include one-on-one tutoring, small group academic support and homework assistance, and facilitation of study skills workshops
- Support a cohort of 5 students through the college and scholarship application processes
- Coordinate BTGB's Study Hall Program for 9th and 10th grade students
- Research and coordinate academic, college, and career-related enrichment opportunities
- Support with implementation of a volunteer recruitment strategy for the Academic Mentor program that will include:
 - Identifying potential volunteer sources
 - Conducting outreach to build partnerships
 - Facilitating volunteer recruitment, intake, and training
- Collaborate with team members to collect and analyze academic data for students grades 7-12
- Complete required MPF data and evaluation requirements
- Travel at least once/month for Fellowship meetings, retreats, and training throughout the Commonwealth
- Make a full-time, 11 month commitment
