

Mass General Hospital Center for Community Health Improvement Youth Scholars Program (Grade 9 & 10) AmeriCorps Massachusetts Promise Fellow

AmeriCorps Massachusetts Promise Fellows deliver the resources young people need to be successful in life by creating, managing, and leading meaningful out-of-school time programs for youth in grades 6-12. Fellow projects focus on mentoring, social and emotional learning, college and career readiness, academic enrichment, and community service-learning.

The Massachusetts Promise Fellowship achieves this by placing AmeriCorps Fellows with schools, non-profit organizations and state/local government agencies that focus on fulfilling the needs of our youth by providing: *a caring adult, a safe place, a healthy start, a marketable skill, and an opportunity to give back.*
